## Portable Power Bench® Makes Work Easier

Are you tired of working on your knees? Out of space or wanting to get things done faster? Then the Power Bench® can help. The Power Bench is a heavy-duty portable workbench that stores in the size of a step-ladder and rolls on 2 wheels. In less than 1 minute you can set it up, far faster than you can clean off your old workbench. Plus it goes where you want it.

The Power Bench is adjustable in height with spring-loaded pins from 30 to 41-in. for your comfort. It's extremely durable

and the only portable workbench that's strong enough to hold 2 7/8-in. oil field pipe. Ideal for wood or metal chop saws, welding table, mechanic's bench or camp table. With your imagination the uses are unlimited.
